

So why should you come to the new Gold Coast Blaze 'Become A Baller' Clinic Program? What's in it for you?

We want YOU to feel what it's like to be a Blaze Player, to be coached by the best, most experienced coaching team on offer.

The 'Become A Baller' clinic program gives you the chance to be on court with the Gold Coast Blaze's very own Assistant Coach **Ron Radliff**, who will be heading our coaching team. Jump at the chance to be drilled by the same guy that coaches your favourite players! AND wait for it... you'll also be coached by your favourite Gold Coast Blaze players!

Can you think of a better way to sharpen your basketball skills?

In addition, attending these camps is your one and only chance to potentially be scouted for future invitation only camps, which could give you the chance to be coached by Gold Coast Blaze Head Coach, Joey Wright!

You've gotta learn from the best to be the best!

So how does the 'Become A Baller' program work?

The 'Become A Baller' program has four skill levels:

ROOKIE → ADVANCED → ELITE → ALL STAR

You will begin on the starting Rookie level, and be challenged to improve your skills to reach the ultimate All Star level. At each clinic coaches will track your progress with skills and drills, and then decide if you are ready to advance to the next level. There will be many clinics hosted over the year to complete the four skills levels, so don't worry if you miss one clinic, you'll still be able to reach the All Star level. Prizes and certificates, including exclusive 'Become A Baller' merchandise and limited edition grading basketball wristbands will be awarded as you complete each level.

Also, get fired up as you receive special Blaze merchandise as you progress through each level!

When will the Become A Baller program be happening?

There will be clinics happening per school holiday break, in July, September, December, January and April. There will be limited places available so make sure you get in quick!

Grab a friend and come be a part of our All New, BECOME A BALLER program!
