Dear Mark,

Recently you helped make Finnegan's wish for a laptop computer come true. On behalf of Make-A-Wish® New Zealand, thank you so much for the amazing day you made possible for him. Not only did Finnegan get a laptop with all the trimmings, but being able to meet his favourite team, hang out with them and watch the game was the icing on the cake. You helped to make his day unforgettable, and we really appreciate that.

Your support and the generosity you extend truly make a difference in the lives of wish children and their families. We couldn't provide such a wonderful time for them without your kindness and generosity.

Thank you again for making Finnegan's day so special.
