Dear Liesi

4th ANNUAL CHARITY FASHION SPECTACULAR

Thank you so much for your support of the North Shore Hospice 4th Annual Fashion Spectacular.

More than 450 people attended and enjoyed an entertaining evening with style tips from NZ's leading personal image and styling consultant, Jackie O'Fee. Our models wore the latest summer styles from some of the North Shore's leading clothing stores.

Like so many other organisations, North Shore Hospice is feeling the bite of the current economic downturn. The commitment by my event team, the large band of volunteers including our wonderful models, stores and designers, companies such as Graphic Detail and Magic Print and members of the community such as Amanda Dorcil, Jackie O'Fee and Tina Cross together with a dedicated Harcourts team ensured that a spectacular night was turned on for the appreciative audience. We were thrilled with the wonderful donation of goods for our auctions and raffle and whilst we are a little short of our \$25,000 profit this year, the commitment of so many and the success of the event demonstrates how valued North Shore Hospice is to its community.

It is a daunting task each year to raise the \$2.5 million we need to ensure we are able to continue to provide a professional and caring service for over 550 patients and their families. It is only with generous support such as yours that we manage to reach our goal.

Once again thank you.

Kind regards

A handwritten signature in black ink, appearing to read 'Gaynor Larsen'. The signature is fluid and cursive, with a large initial 'G' and a long, sweeping tail.
