Dear Mark

I would like to take thank you most sincerely for your kind contribution to the inaugural Takapuna Normal Intermediate School Carnival.

On a beautiful December evening, the field and surrounding classroom and court areas were filled with people enjoying some wonderful family fun, what a fabulous sight!

It is because of the generosity of you, and other individuals and businesses in our community, that our Carnival was such a great success and we are delighted to let you know that we raised approximately \$20,000 towards the total of \$150,000 we need to create more paved hard court area for the pupils at TNIS to use. We are now in a strong position to approach funding agencies for the rest of the funds required to complete this much needed project.

We have noted your support as widely as possible in our community and will encourage our students and their families to support your businesses wherever possible.

Thank you, once again, for your support of our school.

Yours sincerely
