

Melbourne Tigers Basketball Club 2010 Big V Championship

Partnership opportunities - Big V Championship Men, Women and Youth League Women

The Melbourne Tigers Basketball Club encompasses the following:

- Melbourne Tigers National Basketball League men's team;
- Big V Championship Men (Australian Basketball Association);
- Big V Championship Women (Australian Basketball Association);
- Youth League Women (Australian Basketball Association);
- Junior Girls Club (U12 to U20);
- Domestic Girls Club (U10 and U12); and
- Tiny Tigers (boys and girls from U4 to U10).

The teams have a diverse group of players with playing histories which range from current and past Olympians, NBL and WNBL players, along with young up-and-coming players with promising future careers in the sport.

The Melbourne Tigers encourage our young athletes to be involved in the community, which includes coaching the Club's School Holiday Camps, ongoing school and sporting club clinics, coaching junior teams, and participating in community and charity initiatives.

To continue to provide pathways for young sportspeople, the Tigers need to gain funding for our programs. The Club is seeking partnerships to raise funds for our Senior Men and Women's teams in the 2010 Big V Championship season.

The Tigers are committed to the grass roots level of basketball, and as such any profits from the Big V program go back into the development of the sport.

The Tigers Big V and Junior Girls Club teams play at the Melbourne Sports and Aquatic Centre (MSAC) in Albert Park.

Partnership opportunities for the 2010 season include:
